1. Installation
2. Logging In
3. Registering a Member
4. Registering a Garden

1. Installation

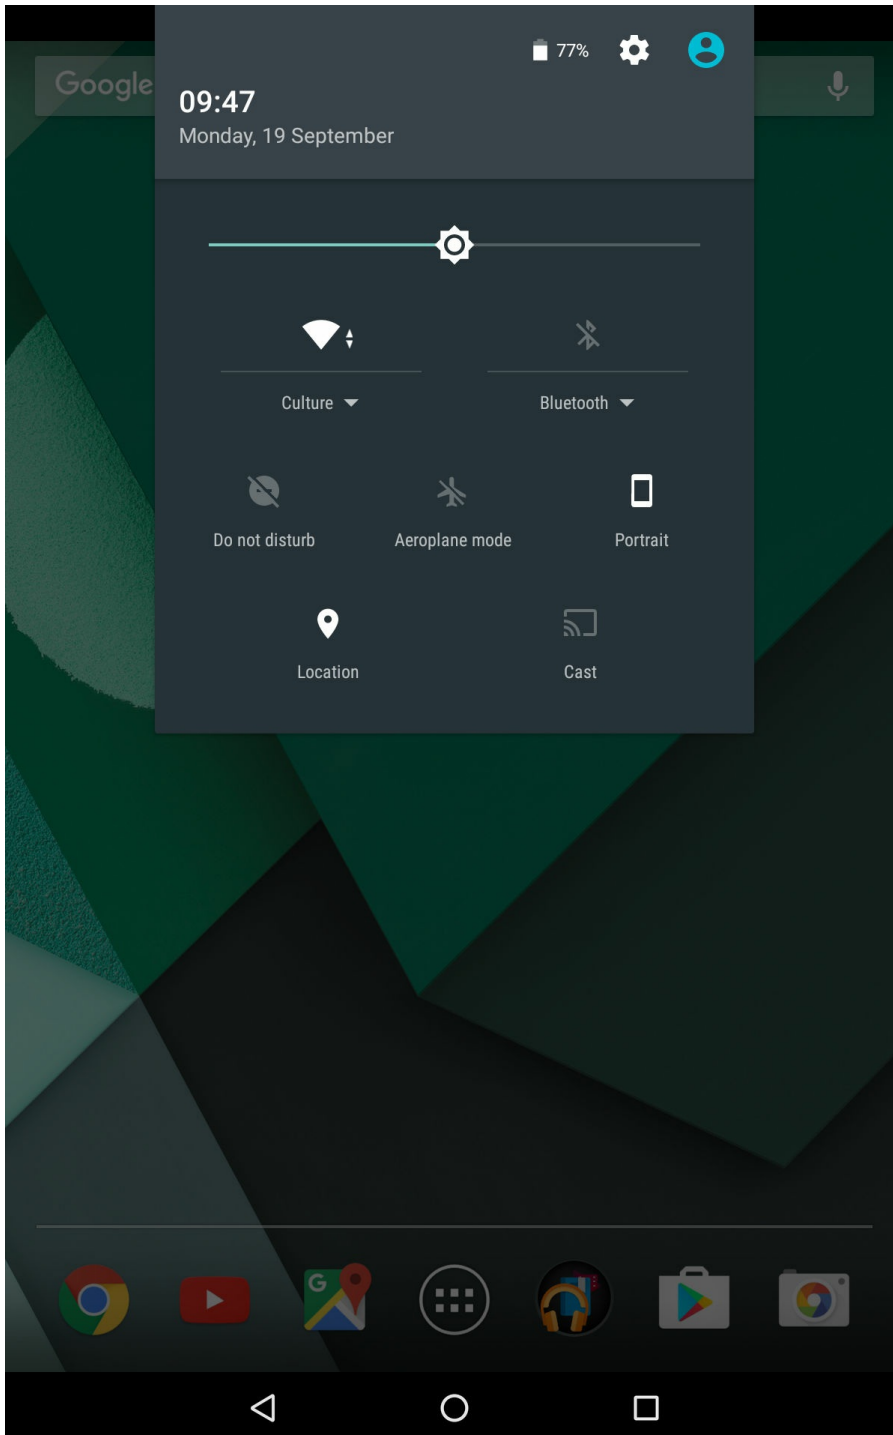

1.1 From the home screen swipe down to display the notifications drawer

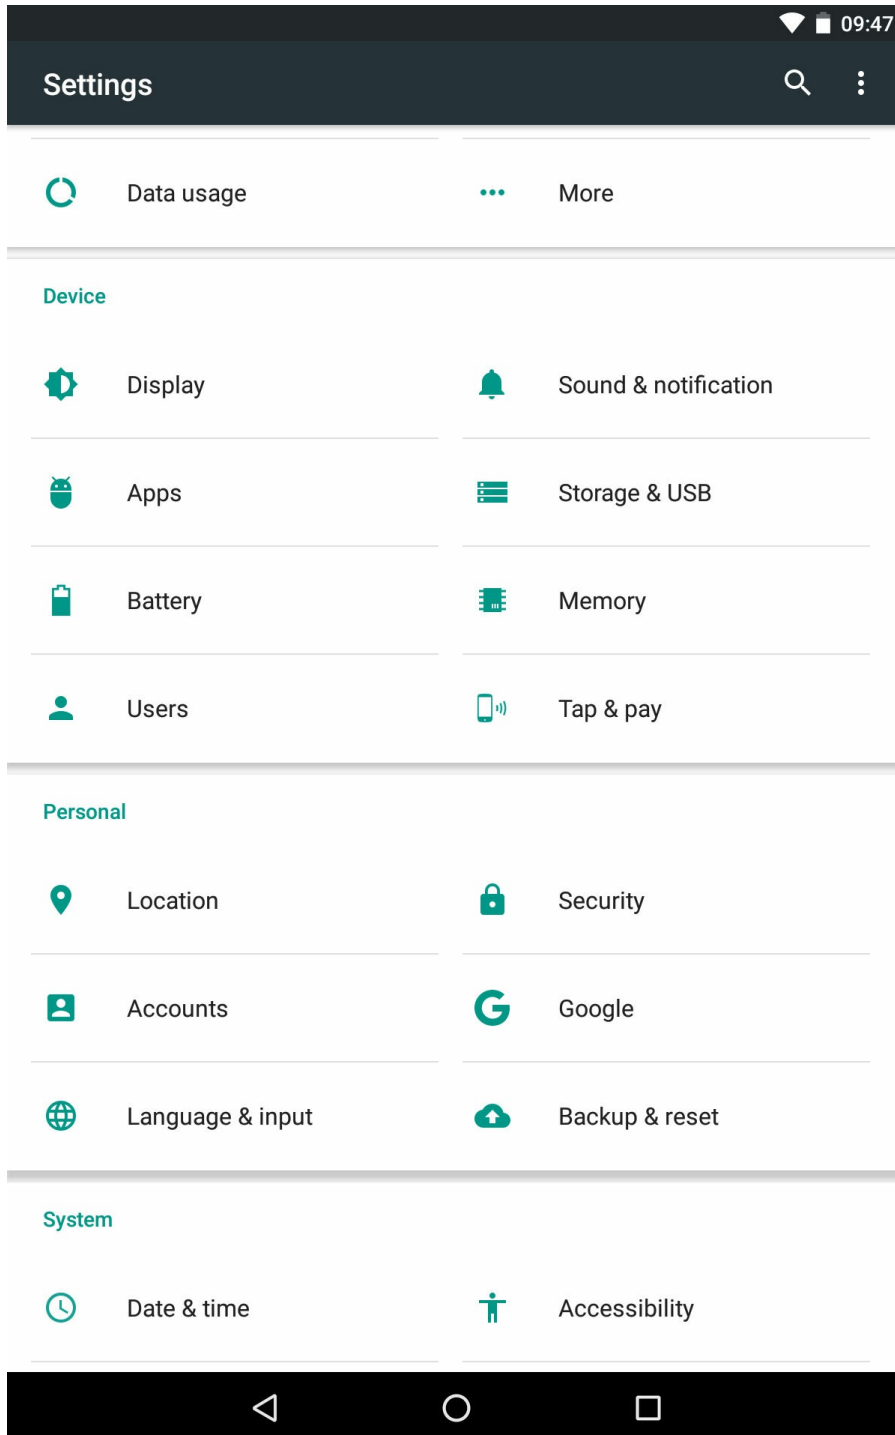

1.2 Tap the top (grey area) of the notifications drawer to expand it

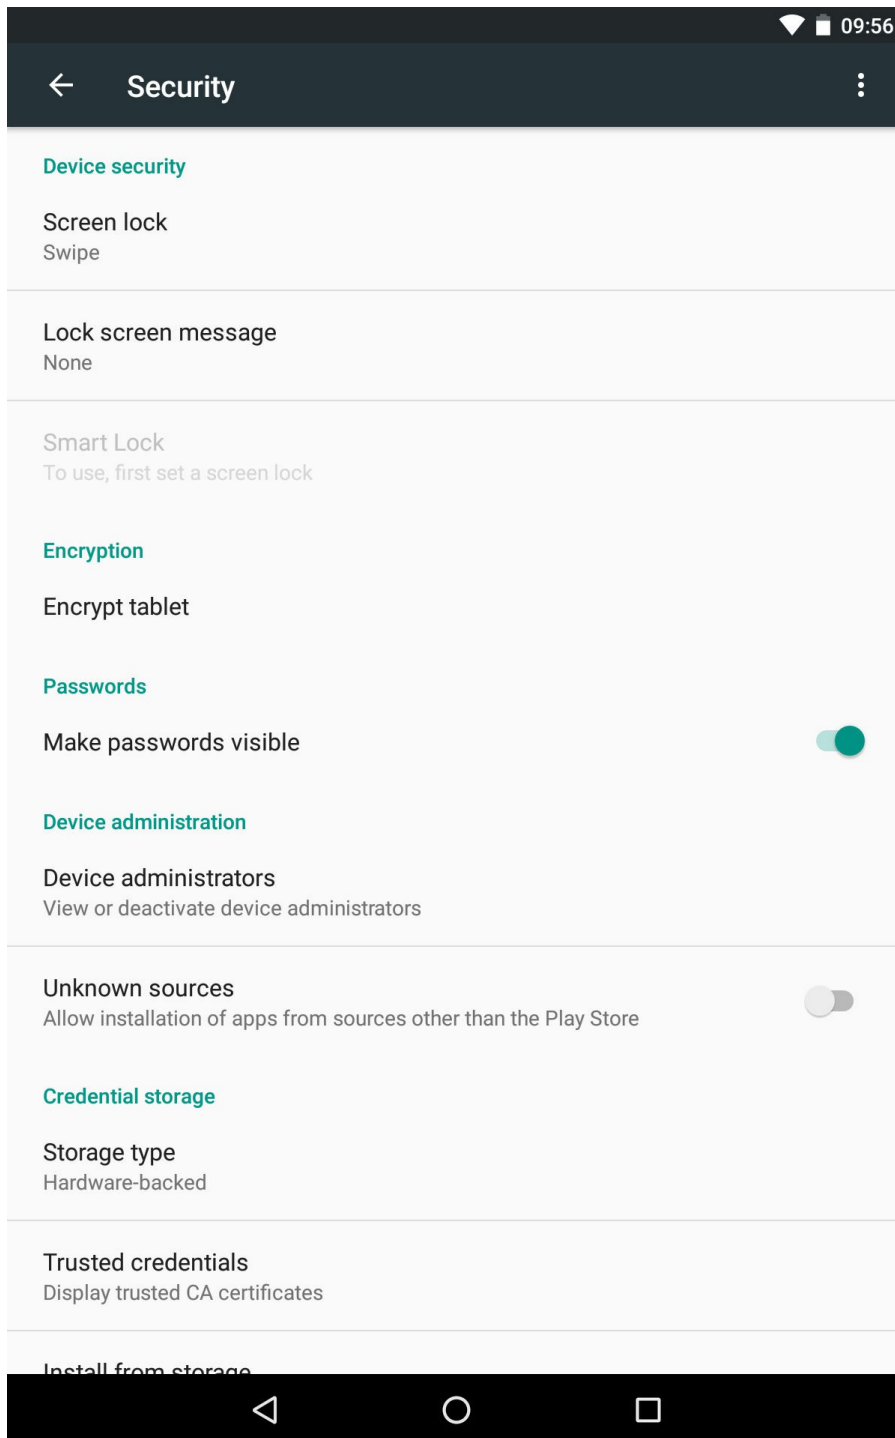

1.3 Tap the cog icon to open the device's settings menu

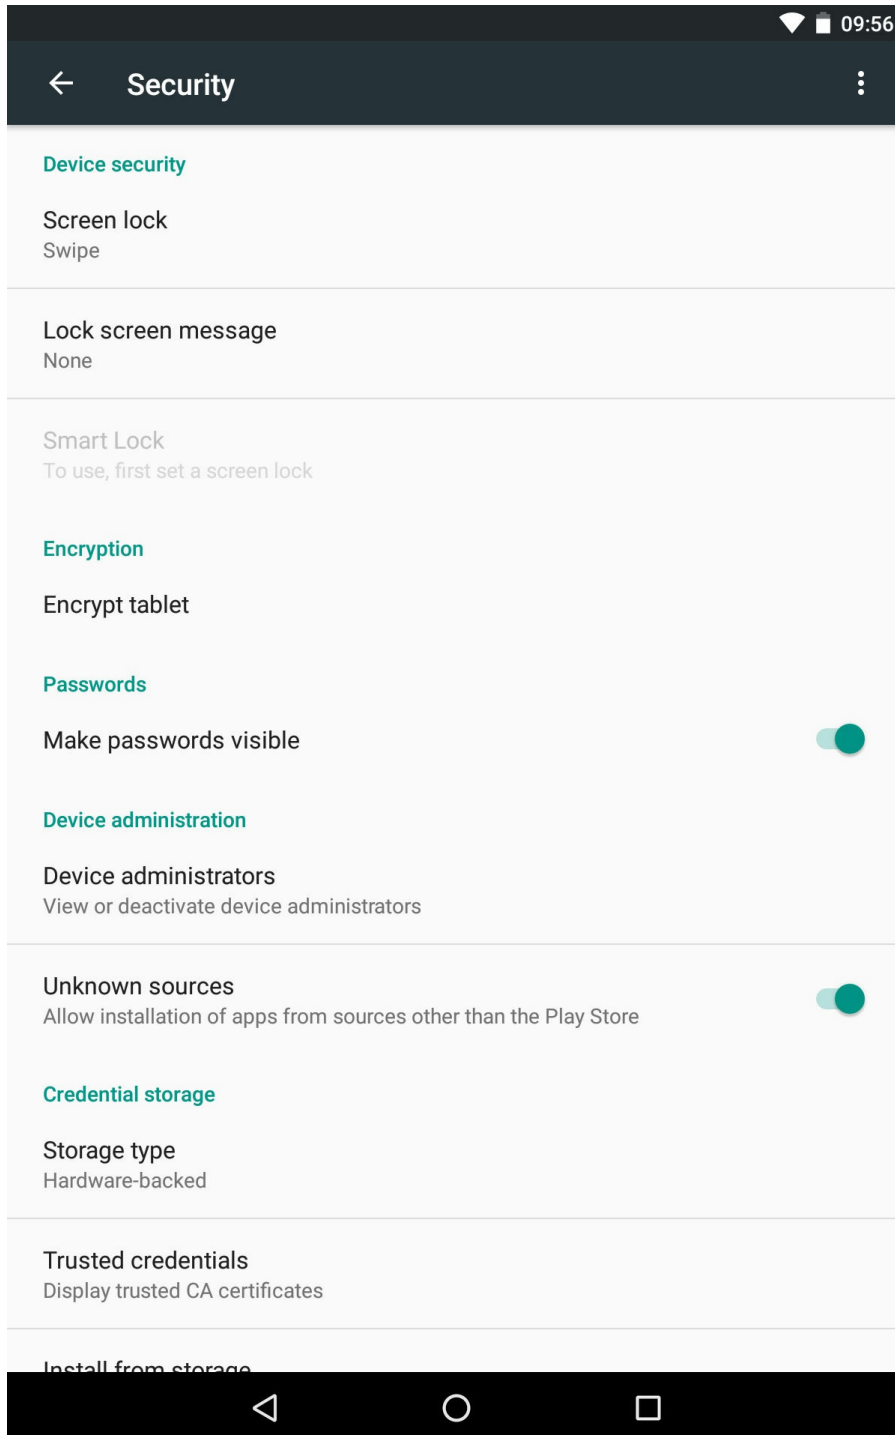

1.4 Tap the security item to open the security settings

1.5 Tap the switch next to the 'Unkown Sources' item to allow the installation of application from sources other than the Play Store

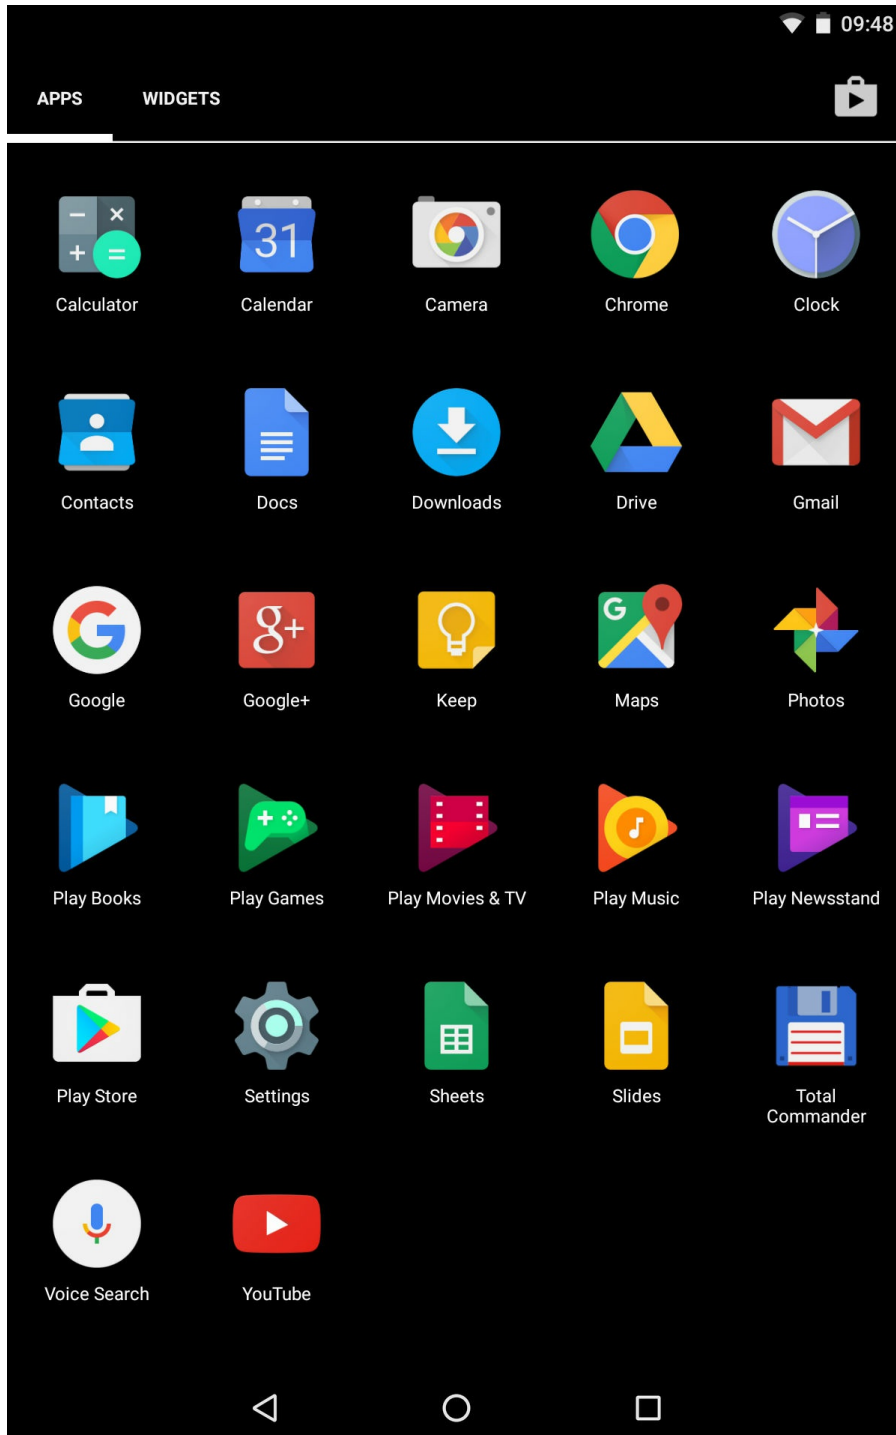

1.6 The switch should turn blue indicating that the 'Unknown Sources' option has been enabled

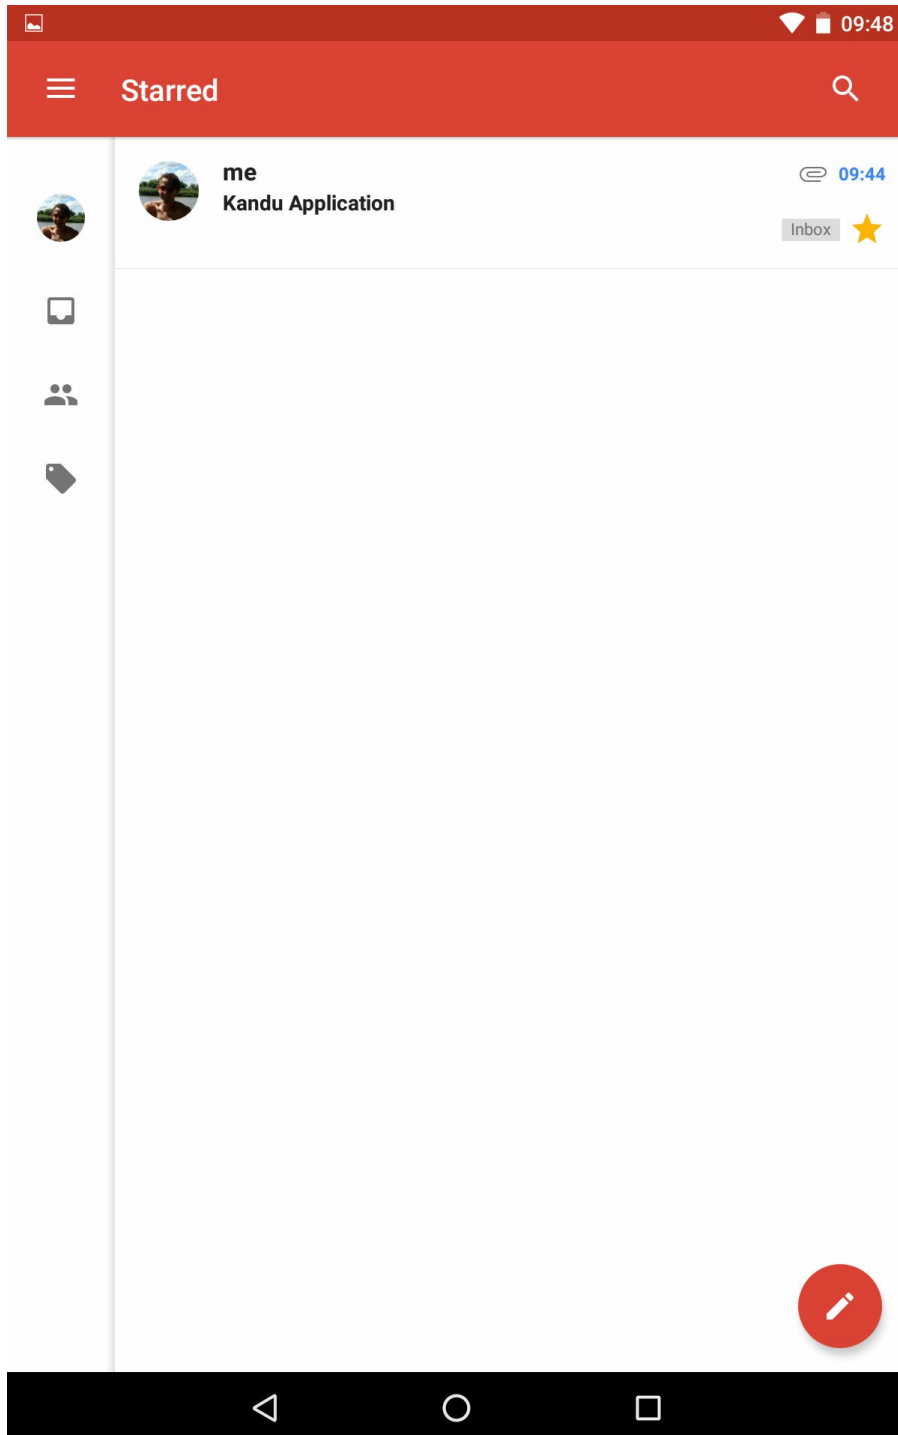

1.7 Go back to the home screen and open the applications listing by tapping the icon of six blocks contained in a circle

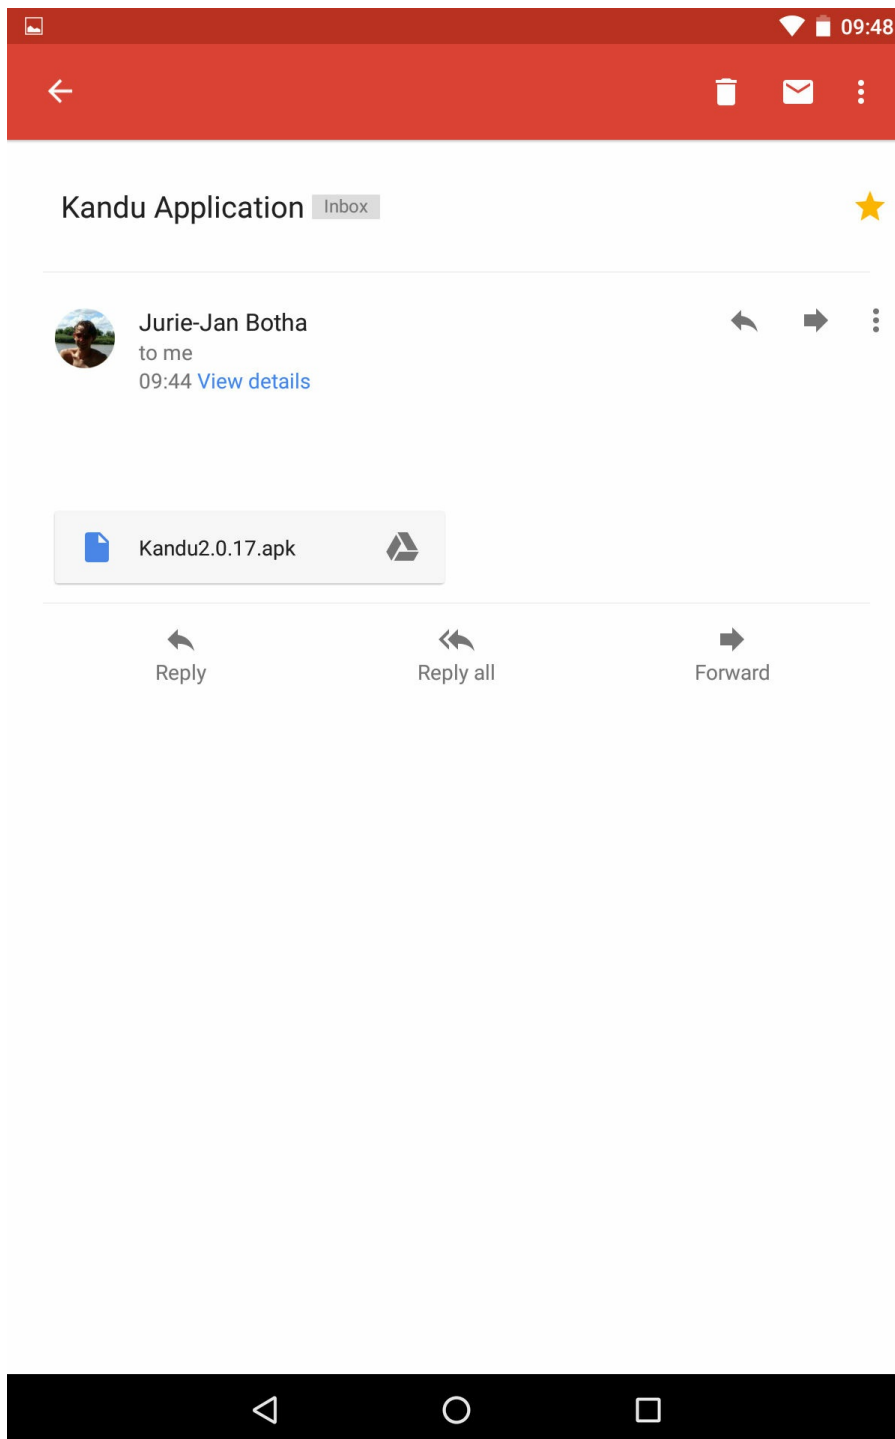

1.8 Find the Gmail application in the list and open it by tapping it's icon

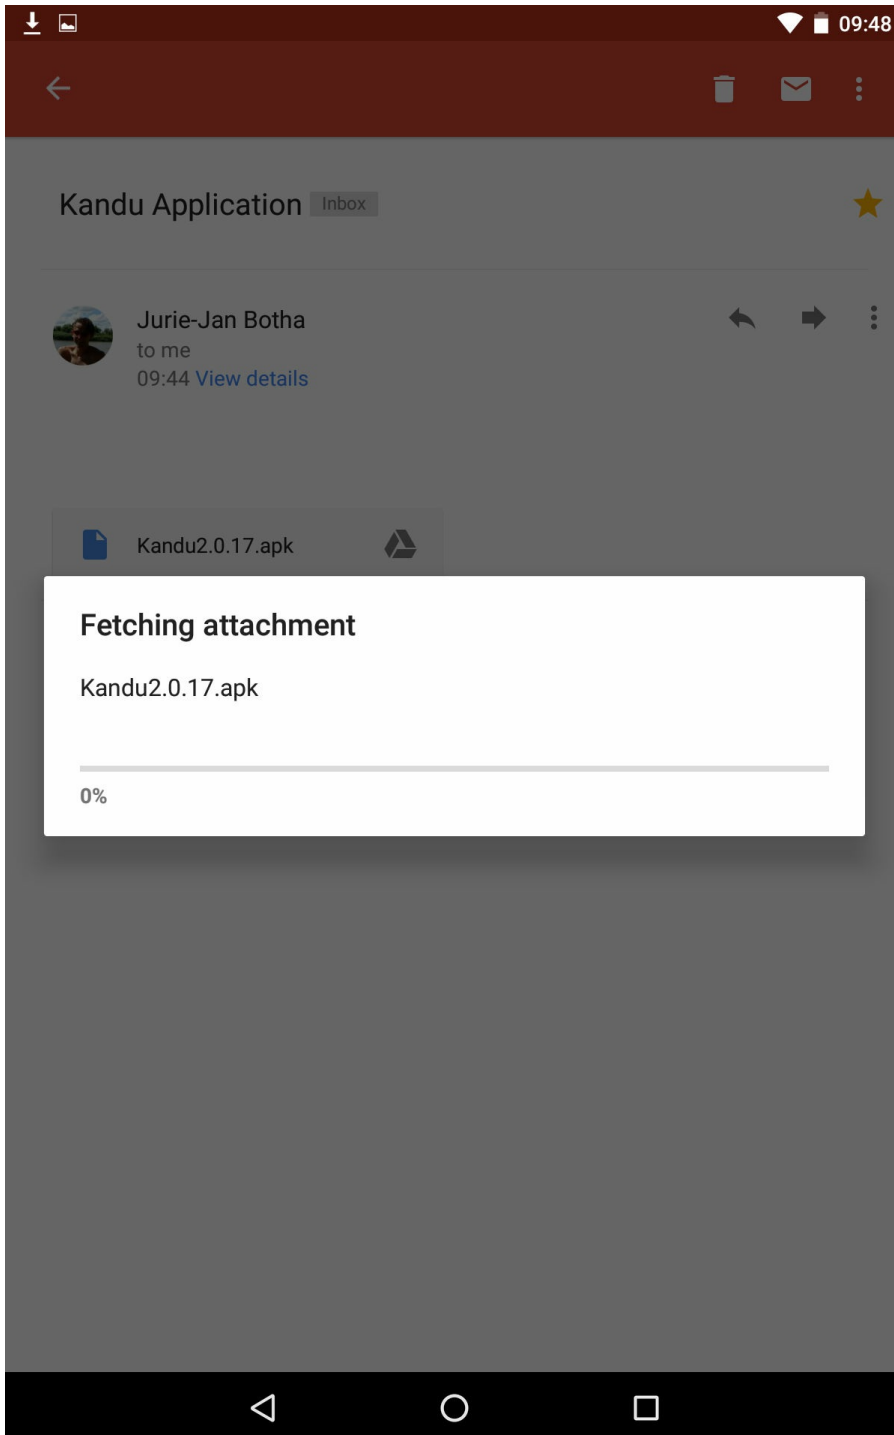

1.9 Find the email containing the application and open it by tapping it

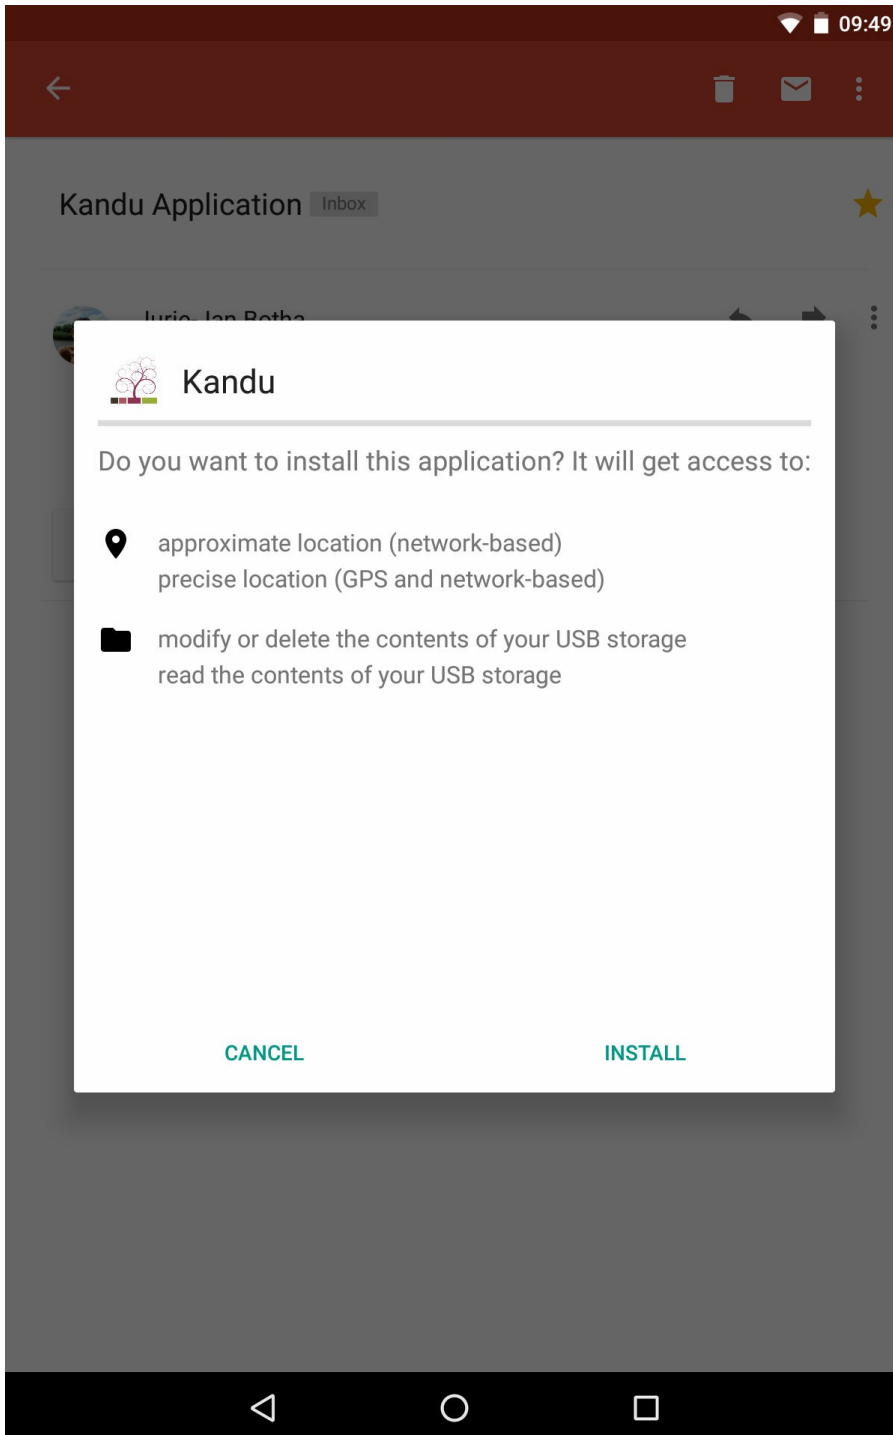

1.10 Tap the application file attachment at the bottom of the email to begin downloading the application file and wait for the download to finish

1.11 Wait for the application file to finish downloading

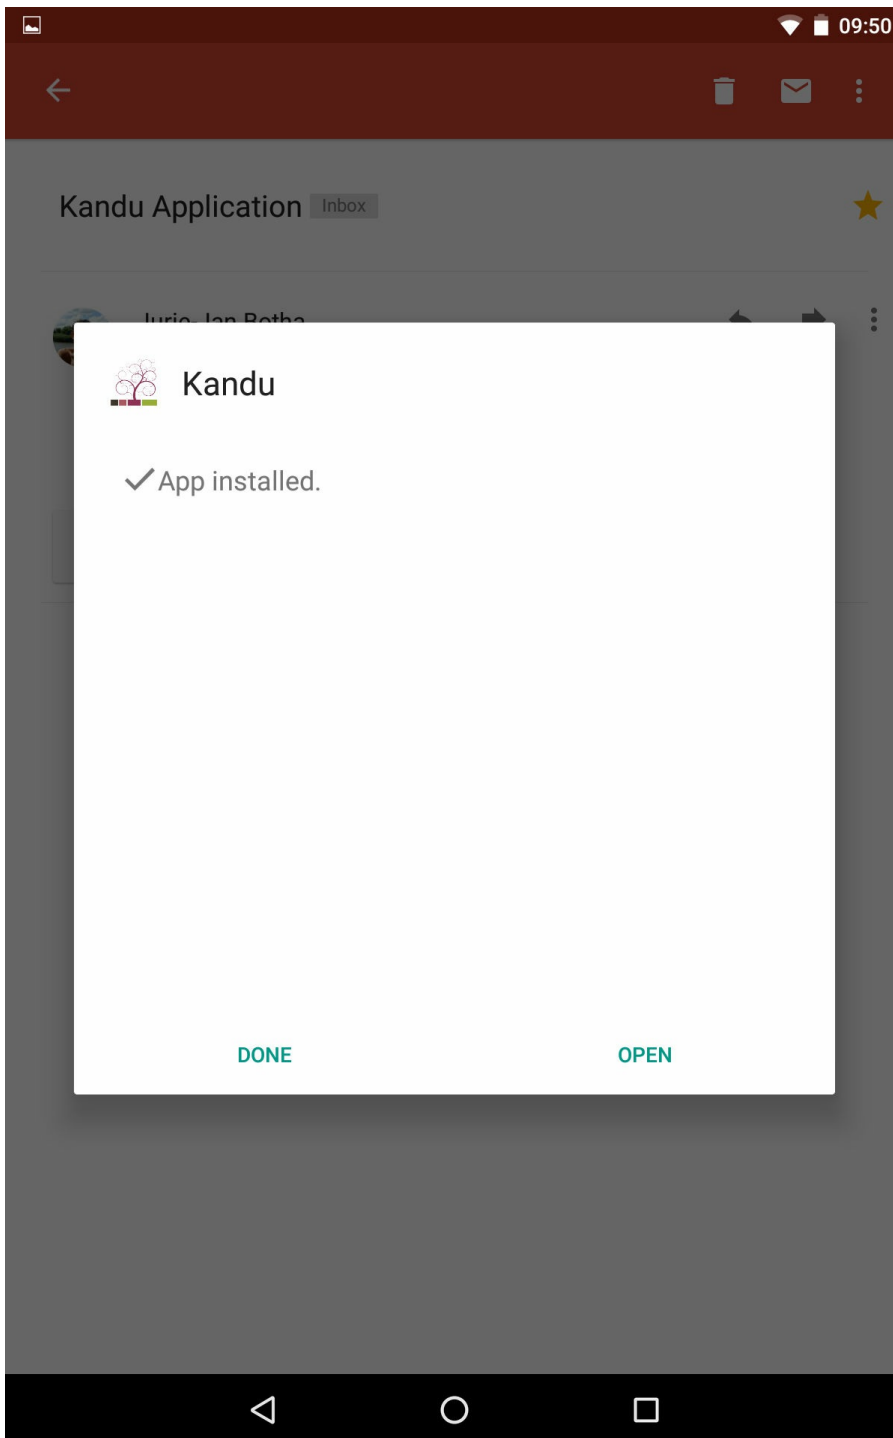

1.12 Once the download has finished continue with the installation by tapping 'INSTALL'

1.13 Wait for the application installation to finish

1.14 A message should then display indicating that the application has successfully been installed

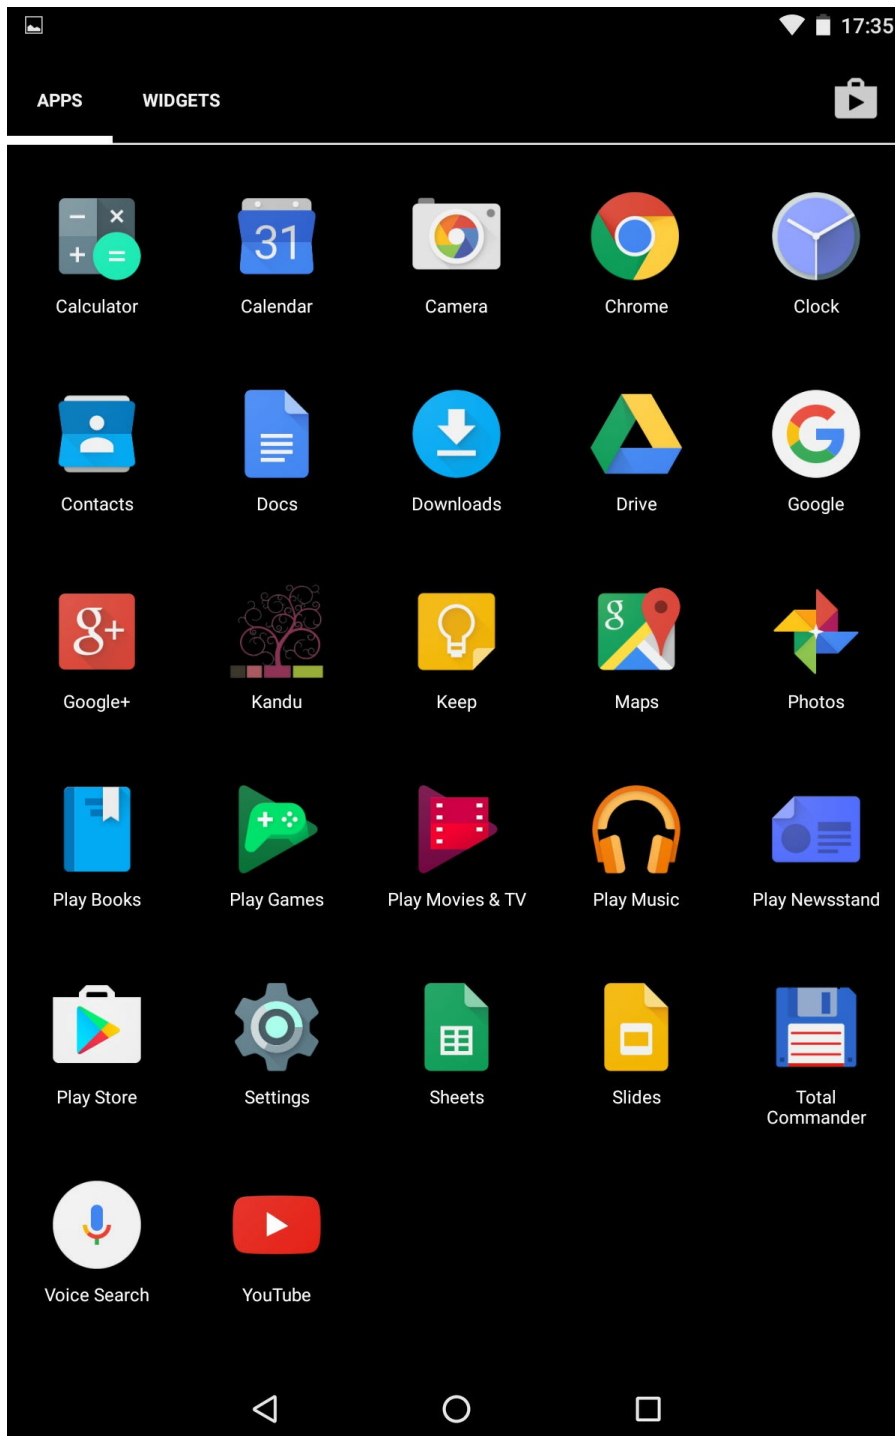

2. Logging In

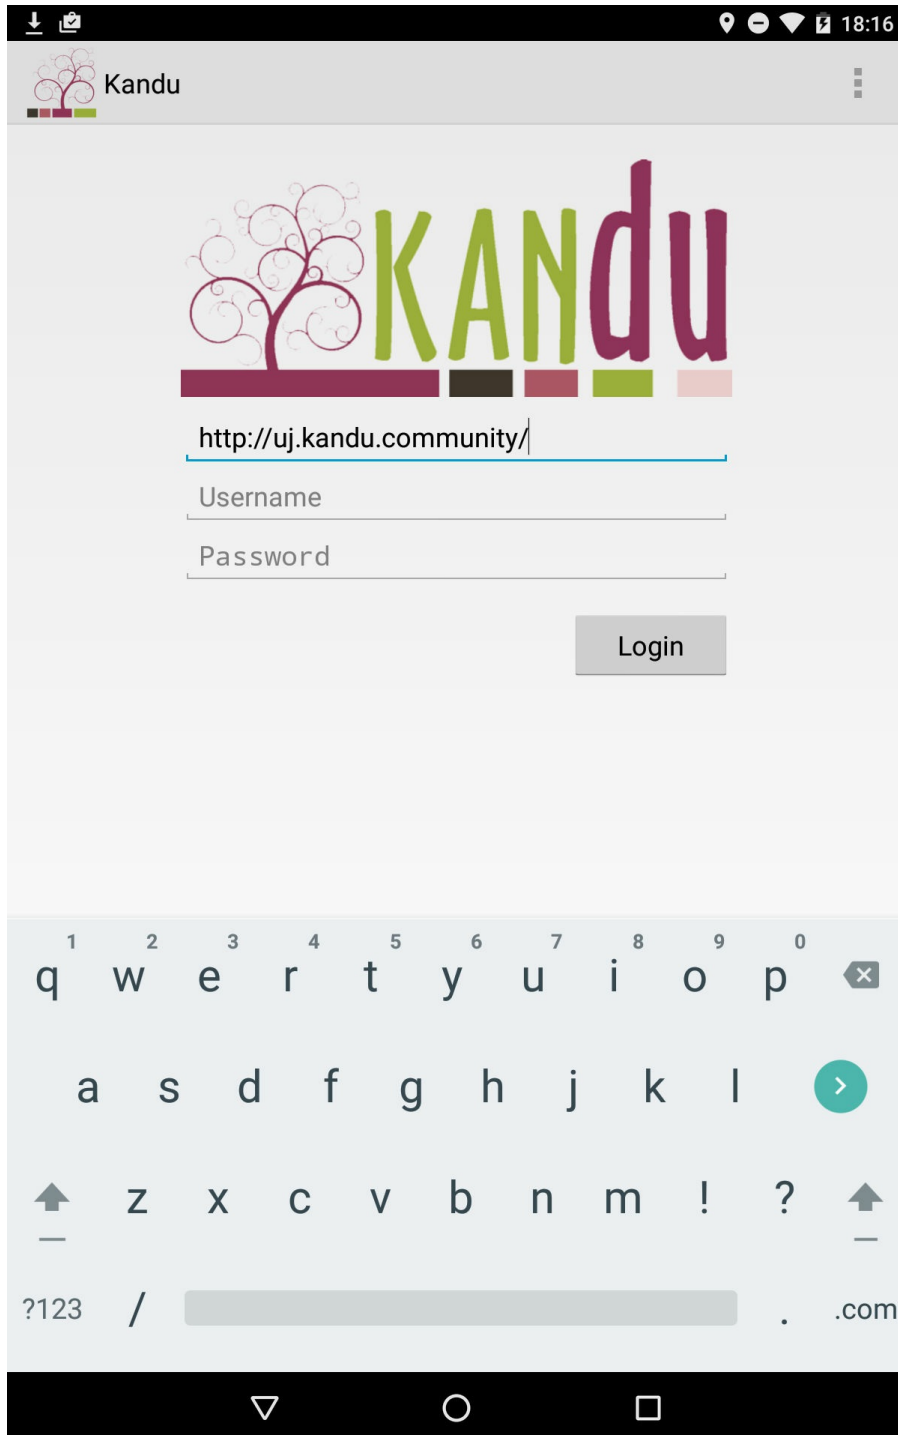

2.1 Find and open applications listing from home screen

2.2 Open the Kandu application

2.3 Ensure that the 'Server URL' field is set to 'http://uj.kandu/community'

2.4 Enter your username and password

The screenshot shows a mobile application interface for 'Kandu'. At the top, there is a status bar with the time 17:35 and various icons. Below it, the app header features the 'Kandu' logo (a stylized tree) and the name 'Kandu'. The main content area displays the 'KANDU' logo in large, colorful letters. Below the logo, there is a text input field containing the URL 'http://uj.kandu.community/'. Underneath the URL field are two more text input fields labeled 'Username' and 'Password'. A 'Login' button is positioned below the password field. At the bottom of the screen, a virtual keyboard is visible, showing letters, numbers, and symbols. The bottom of the device screen shows the standard Android navigation bar with back, home, and recent apps buttons.

2.5 Click the login button to send the details

The image shows a mobile application interface for 'Kandu'. At the top, there is a status bar with a battery icon, signal strength indicator, and the time '17:35'. Below the status bar is a header with the 'Kandu' logo on the left and a menu icon on the right. The main content area features a large 'KANDU' logo with a stylized tree graphic to its left. Below the logo, there are three input fields: a URL field containing 'http://uj.kandu.community/', a text field containing 'MyName', and a password field represented by a series of dots. A 'Login' button is positioned below the password field. At the bottom of the screen is a virtual keyboard with three rows of keys. The first row contains letters 'q', 'w', 'e', 'r', 't', 'y', 'u', 'i', 'o', 'p' and a delete key. The second row contains letters 'a', 's', 'd', 'f', 'g', 'h', 'j', 'k', 'l' and a 'Sign in' button. The third row contains a shift key, letters 'z', 'x', 'c', 'v', 'b', 'n', 'm', a punctuation key, and another shift key. Below the keyboard is a black navigation bar with three icons: a back arrow, a circle, and a square.
